

TRIGONOWN01

Higher Education and Teachers

Push the limits of computing

- A durable, premium-quality laptop with an innovative modular design
- Performance and productivity that lasts throughout the day
- Premium features include a durable chassis, premium touchscreen, and fingerprint reader

Designed for

intel.
nuc
element

STYLISH

Powerful on the inside, stylish on the outside, these laptops are built to support all-day productivity and collaboration.

SUSTAINABLE

The Intel® NUC Compute Element enables an upgrade to the latest processor without the high cost and carbon footprint of replacing the entire laptop.

MODULAR DESIGN

The innovative modular design makes it easy and inexpensive to upgrade to a new processor without replacing the entire laptop.

- 11th GEN Intel® CPUs
- 12h battery
- Premium Display with Touch Screen
- Silent Backlit Keyboard
- Full Aluminium Chassis
- Design by Intel®

Designed for
intel
nuc
element

A convertible laptop based on Intel's NUC Elements
